Our givings need to grow to sustain the vibrant ministries of our congregation. We have fallen behind over the last few years. Please give as generously as you are able.

If you are able, we are asking you to increase your donation for 2023. If you gave \$50 a month could you raise that to \$60? If you gave \$100 a month could you raise that to \$125? If you gave \$150 a month could you raise that to \$200? If you have been giving over \$200 a month, could you raise your giving by 5 to 10%?
