

Sharing your gifts in service

Everyone has unique and useful gifts necessary for the work of God which is done through the Church. All gifts are valued and needed for a vibrant Church.

Sharing your gifts is spiritually satisfying. It is a way to make connections with people and develop strong bonds of friendship through service. No matter how young or old you are, there is something you can contribute.

We have identified a few examples of service needs in the Stewardship Brochure. More are outlined on the website (ucim.org/stewardship). Perhaps one of these needs speaks to you. Perhaps your interests go beyond what has been identified. Do you have gifts to share that could expand our ministries in new ways? That would be exciting!

We invite you to prayerfully consider what God is calling you to do.
